

SUMMER "CAMP" 2017

The Turk Center will be offering something fun to do every week!! **YOU DO NOT HAVE TO BE ENROLLED AT THE TURK CENTER TO PARTICIPATE IN THESE WEEKLY CAMPS! YOU DO NOT NEED TO BE A TREMONT RESIDENT TO PARTICIPATE IN THE CAMPS!!** Students that are enrolled in the Turk Center for the summer care program will receive \$5.00 off the cost of each class if they wish to participate in any offered class.

Summer Camp will be run and organized by Taylor Muehlich. Miss Taylor has taught at the Turk Center since we opened in June of 2015. Miss Taylor will also be the 7th grade head coach for girls' basketball. She was an assistant with middle school basketball last year and played high school and college level sports. Miss Taylor has many wonderful ideas and fun activities planned for all age groups! I'm sure that your child can find something he/she would enjoy doing for a week!

All ages listed are for those going INTO that grade for the 2017-2018 school year.

We must have a minimum of 8 students enrolled in each class - each class has a maximum number of students and it is listed with the class description.

All classes will be held at Tremont Grade School. This is just a description of the class. We will have lots of fun activities planned for each week. This is a new adventure for all of us so we will plan and adjust as we go along! We are a work in progress!!

Please email Jennifer Hendrickson at jennifer.hendrickson@d702.org for an enrollment form and for class availability.

HOPE TO SEE YOU THIS SUMMER!!

Miss Jennifer
